 **WINNER**
2020 **WORLD CAR AWARDS**
WORLD CAR DESIGN OF THE YEAR

MAZDA3, DRIVING IS BELIEVING.

Mazda3 represents the beginning of a new era for Mazda. A car that takes every element of design, performance and technology beyond anything that's come before. Winner of the prestigious World Car Design of the Year 2020, Mazda3 is a drive you need to feel to believe.

In designing Mazda3 Sedan the goal was to create a car that was sleeker and more elegant than any other. The evolution of Mazda's Kodo – Soul of Motion design philosophy sees light and shadow shift beautifully across the body. While a silhouette that flows with the fluidity of a brushstroke creates the ultimate in understated sophistication.

CREATED TO MAKE A MOMENT LAST

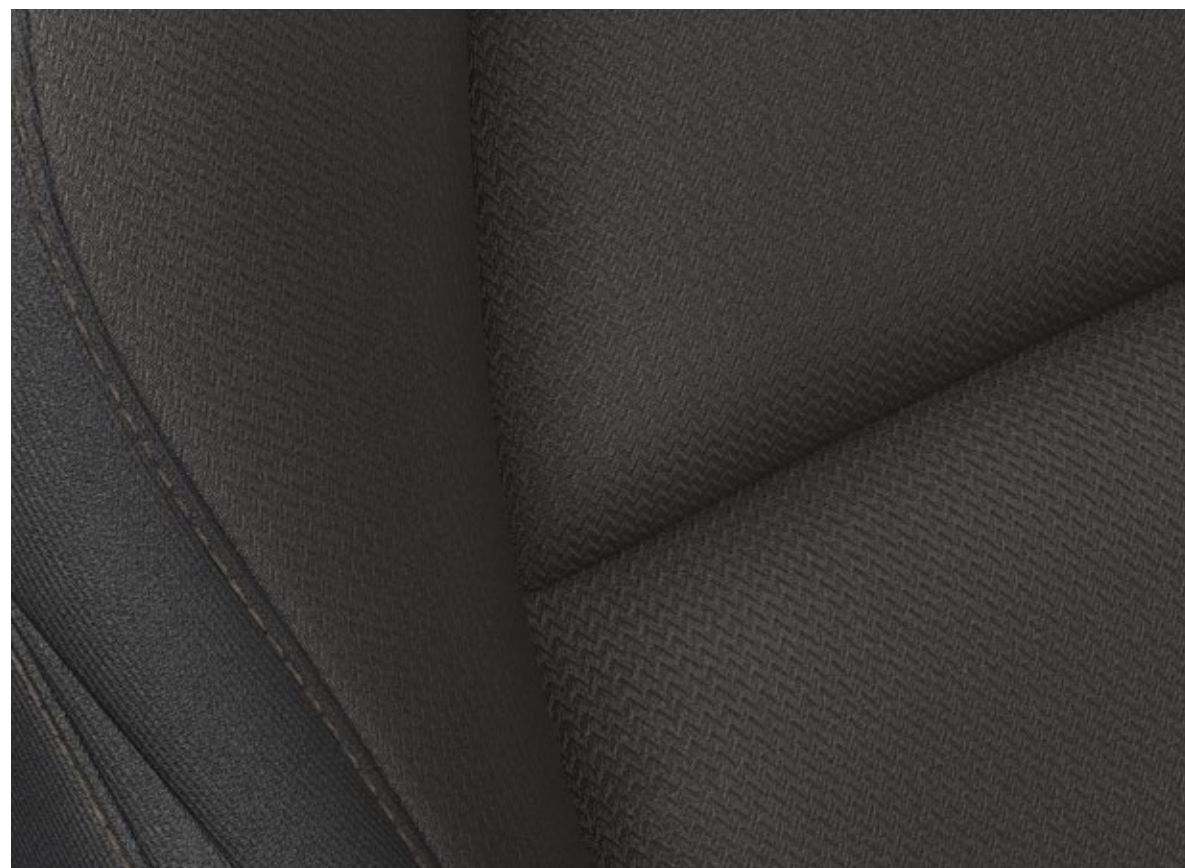

BEAUTY IN SUBTRACTION

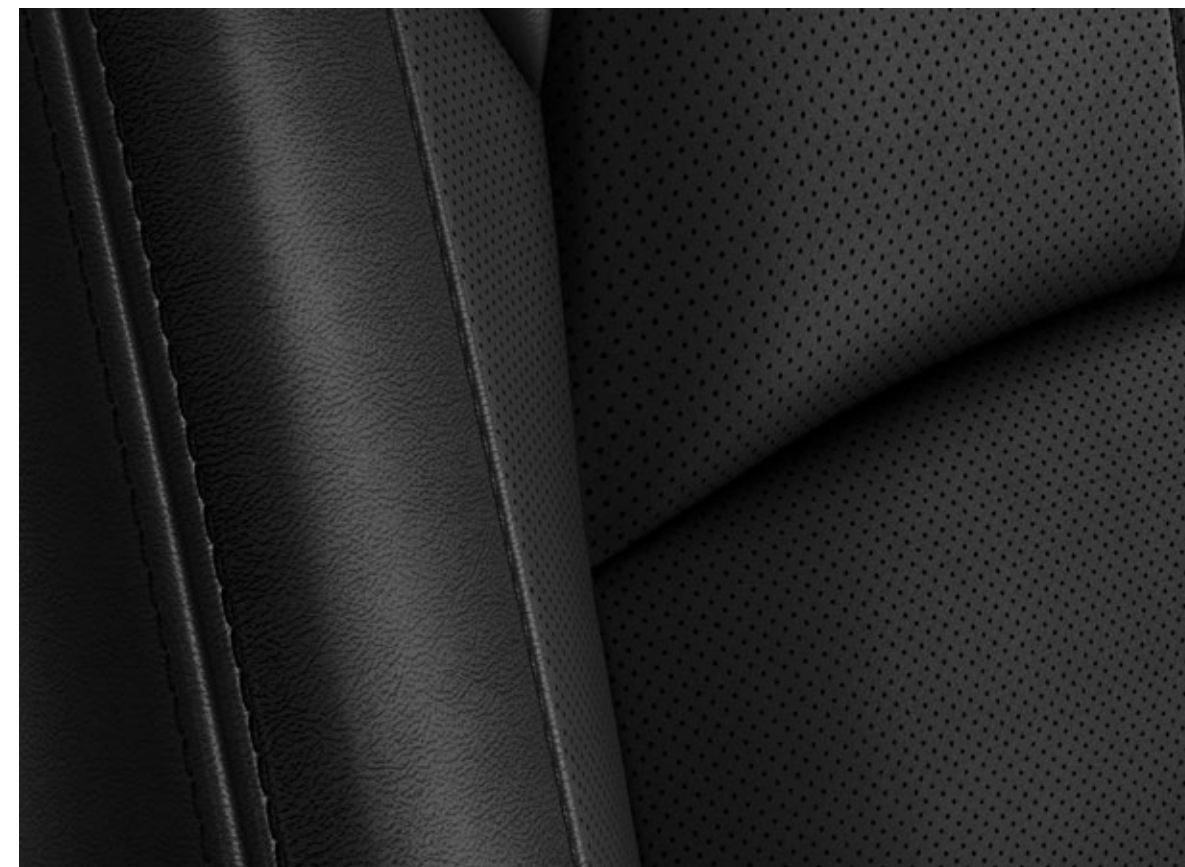

Every element of Mazda3 Sedan has been created with the intention to further strengthen the connection between car and driver. A less is more approach has been followed to develop a cabin that's as beautiful as it is functional. Stylish details, like the Pure white leather option punctuate this new standard of quality.

NEW LEVELS OF INTERIOR CRAFTSMANSHIP

Quality is abundant from top to bottom. Beautifully crafted detailing covers key components like the dashboard, centre console and door panelling. While at higher grades, the luxurious and immersive front seats are now heated.

Black cloth (Standard)

Leather Options Available

INSTINCTIVE TECHNOLOGY

Every piece of driving technology has been honed to provide an unparalleled sense of control and enjoyment. The Active Driving Display has been carefully designed to present only the most relevant information in the simplest fashion. The meter cluster now features a vibrant 7-inch LCD screen. While on the steering wheel, switches are streamlined and better integrated for superior functionality and beauty.

CONNECTED IN EVERY WAY

Enjoy the latest in connectivity with an all-new Mazda Connect system displayed in stunning clarity on the 8.8-inch widescreen display. With Apple CarPlay® and Android® Auto as standard, you can access your compatible smartphone's contacts, social media, music and more at the touch of a button.

A FEAT OF ENGINEERING

Skyactiv-X utilises Mazda's world-first Spark Controlled Compression Ignition (SPCCI) which combines the fuel-efficiency of a diesel with the power and driveability of a petrol engine. This engine switches seamlessly between conventional spark ignition and a compression ignition mode where a lean fuel-air mix is compressed so it combusts more efficiently – releasing fewer emissions than a conventional engine.

M Hybrid also employs new electric technology, replacing the alternator and starter motor with an Integrated Starter Generator (ISG), which captures energy that would normally be wasted during braking. This electrified energy is stored in a lithium-ion battery and then used to power electrical systems and assist the engine under acceleration. The result is improved efficiency and a smoother driving experience.

The combination of these two systems takes Mazda3 Skyactiv-X M Hybrid to a new level of efficiency without compromising the Zoom-Zoom driving experience.

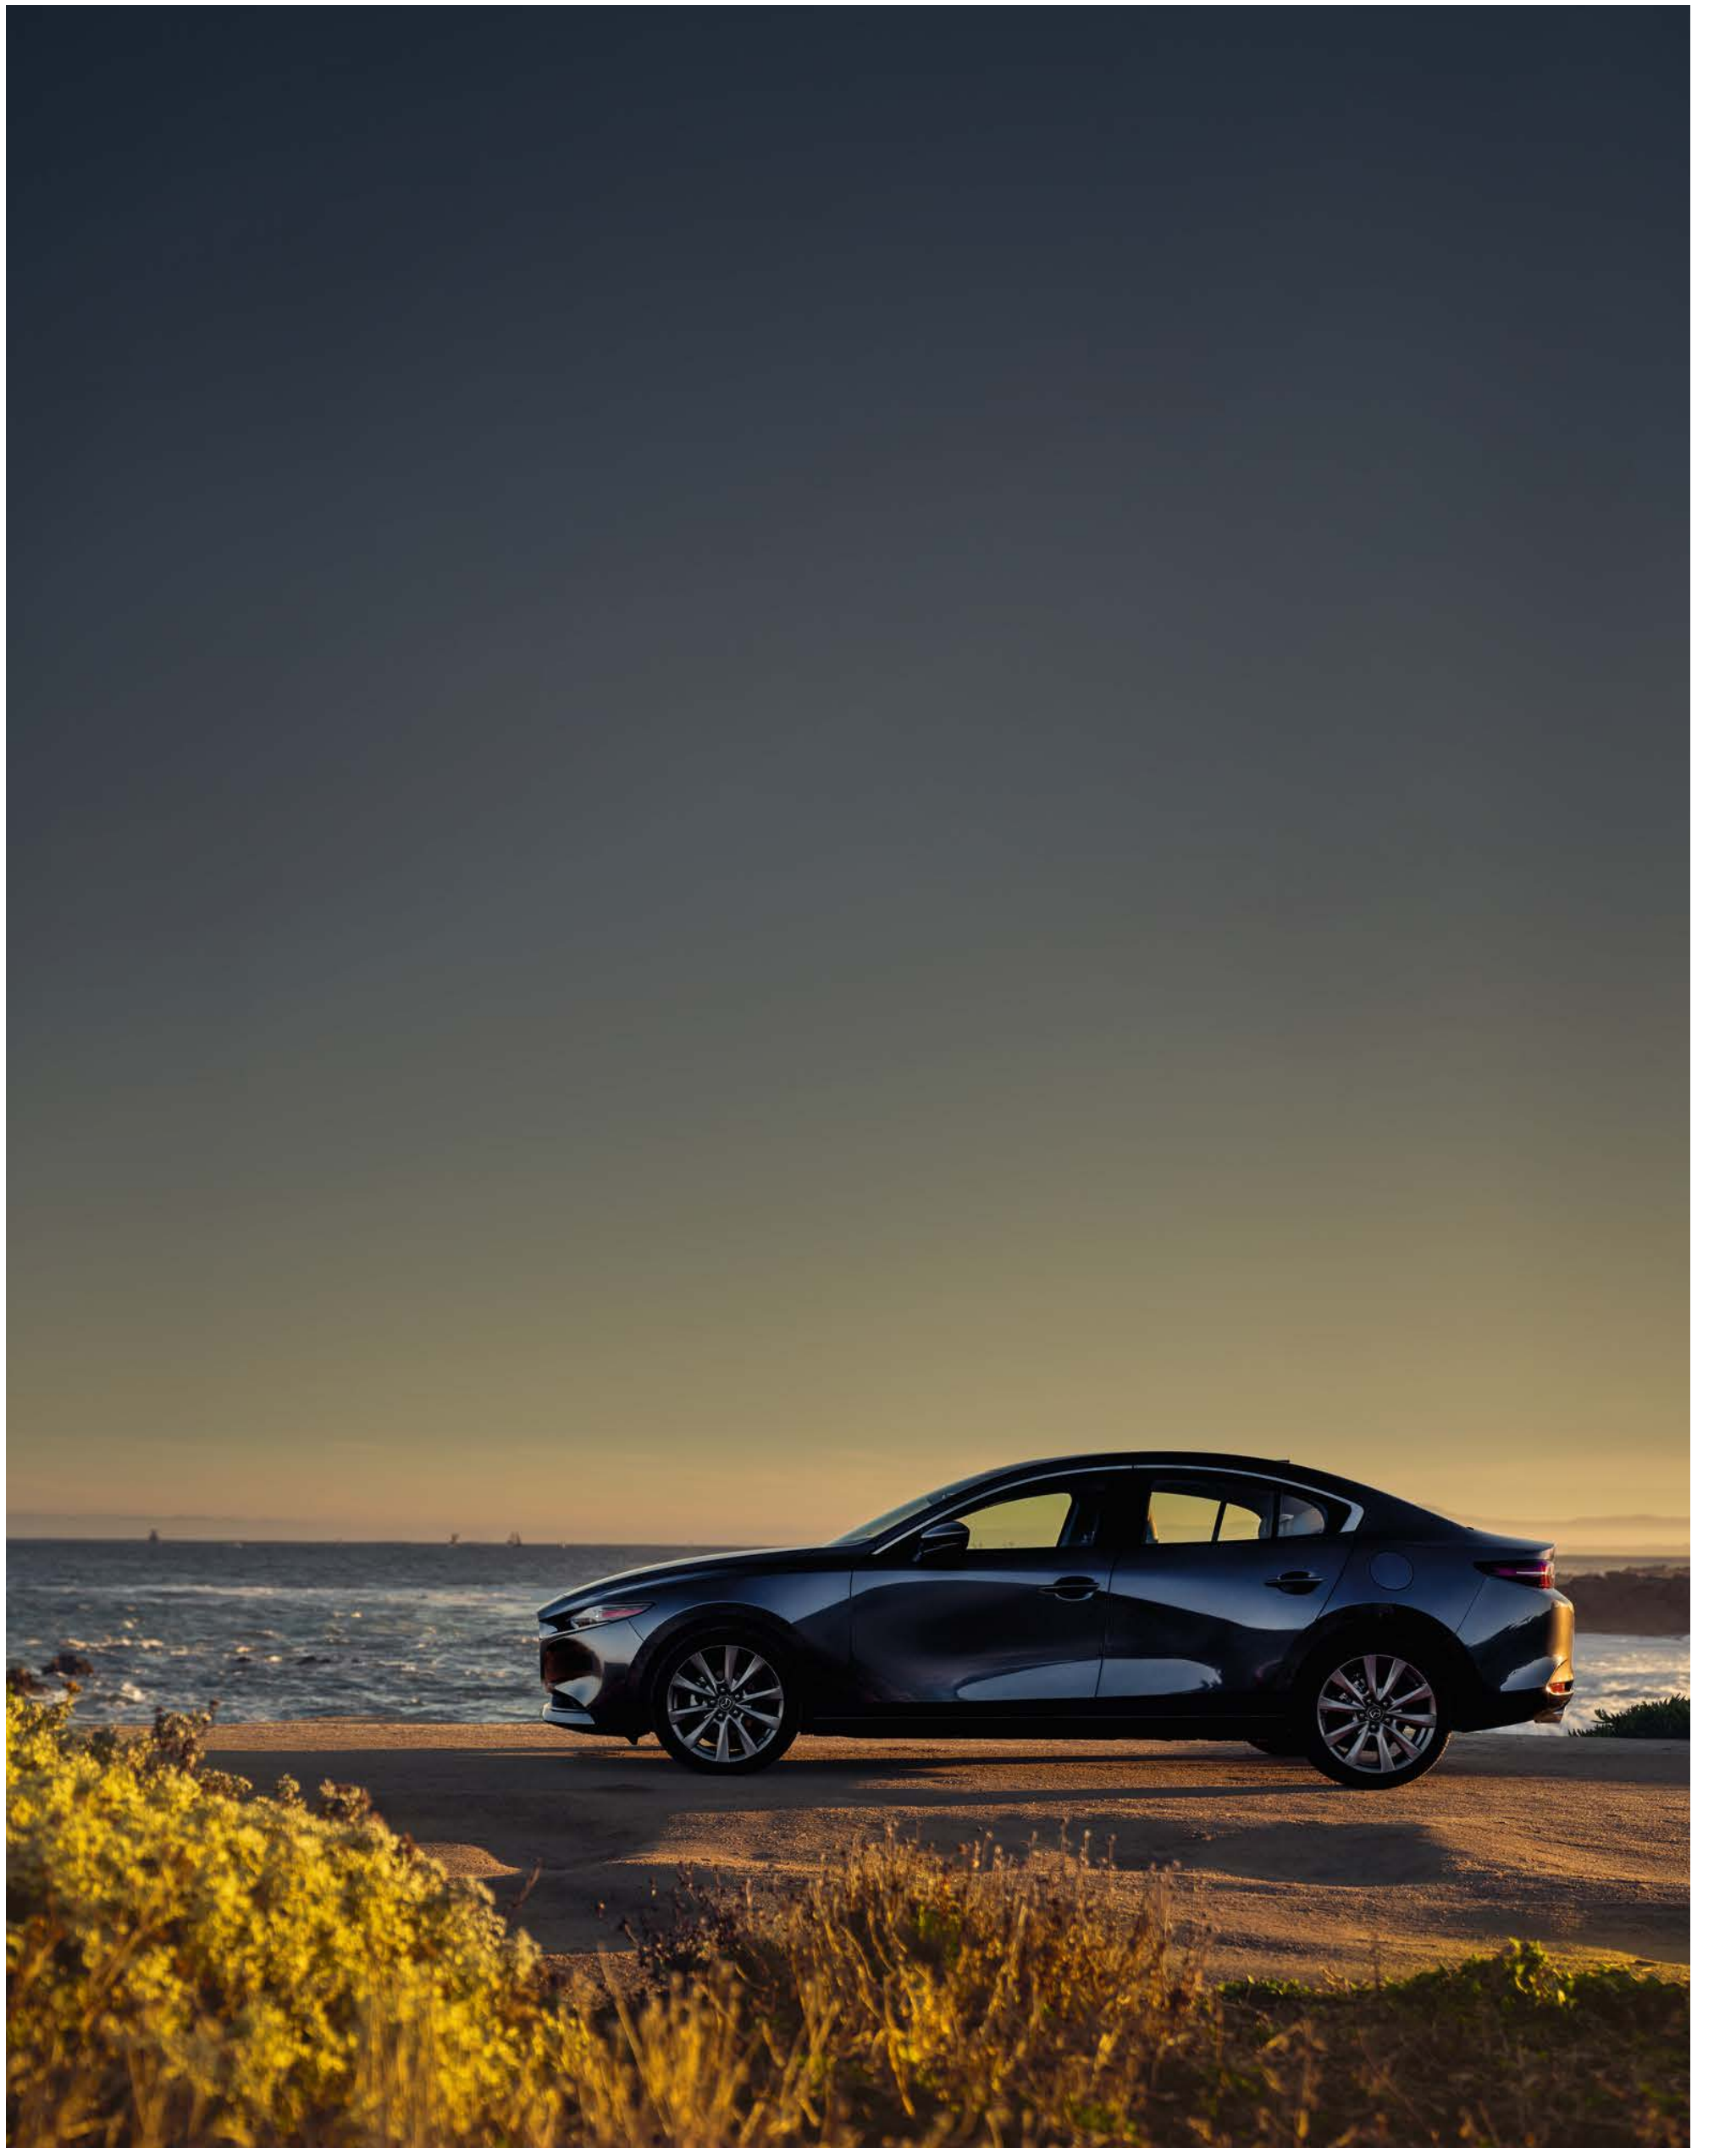

ENGINEERED TO EXHILARATE

The strict adherence to the philosophy of 'Jinba-ittai', the sense of car and driver as one, has created a driving experience that's truly next generation.

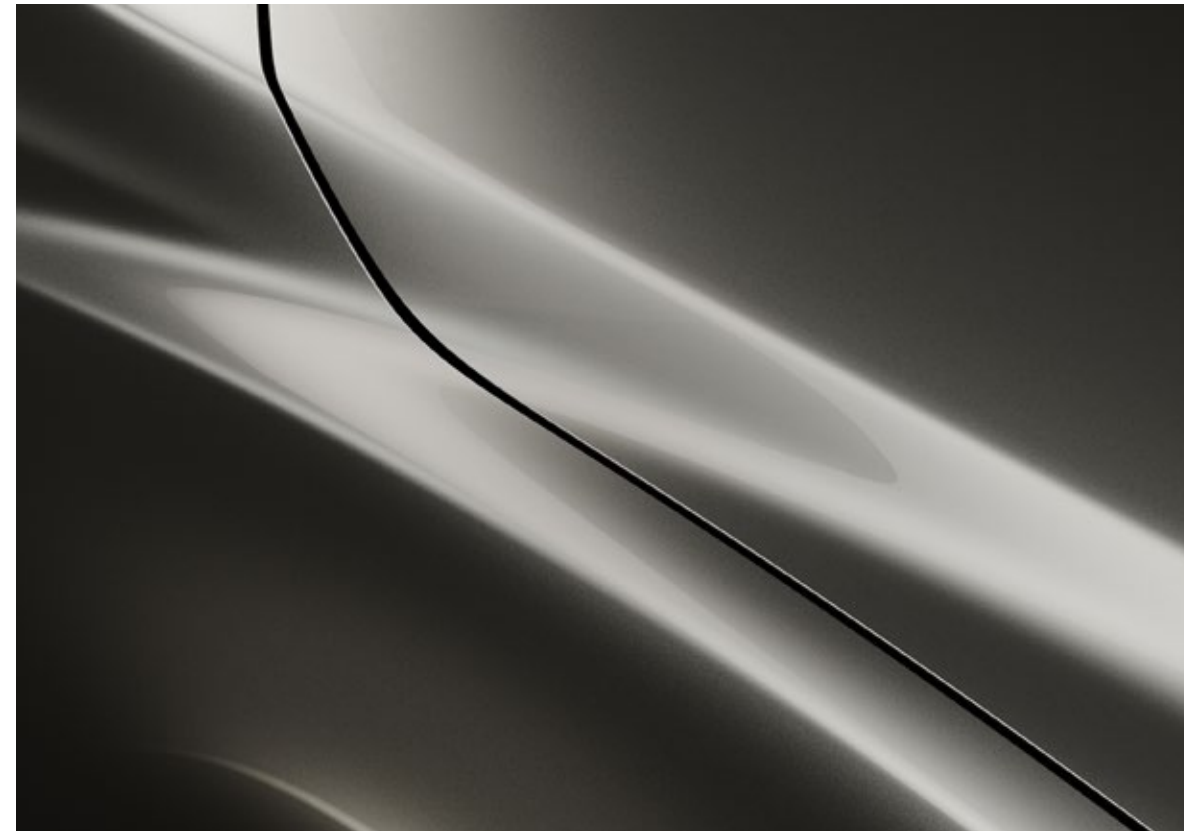

THE EVOLUTION OF SAFETY

True peace of mind is at the forefront of Mazda3. A higher concentration of ultra-high tensile steel reinforces the chassis, while a newly developed knee airbag for the driver's seat is not only a first for Mazda, but comes as standard equipment.

MAZDA 3 CORE FEATURES

- » 16-inch alloy wheels (silver finish)
- » 7-inch TFT LCD multi-information meter display
- » 8.8-inch widescreen colour display (Mazda Connect)
- » Advanced keyless push-button engine start
- » Airbags SRS: front (driver and passenger), side (front), knee (driver) and curtain (front and rear)
- » Air-conditioning
- » Apple CarPlay® and Android® Auto
- » Audio system with: AM/FM tuner, DAB+ Digital Radio and 8 speakers
- » Bluetooth® (hands-free compatible)
- » Bluetooth® audio (MP3 compatible)
- » Electric parking brake with Auto Hold
- » Headlamps (LED) with auto on/off function
- » High Beam Control (HBC)
- » Hill Launch Assist (HLA)
- » Multi-function commander control
- » Parking sensors (rear)
- » Exterior mirrors with power adjustment and auto folding function
- » Power windows with auto up/down (all windows)
- » Heads Up Display
- » Reverse camera
- » Seat trim: black cloth
- » Seats (rear) with: 60/40 split-fold backrest
- » Tilt and telescopic adjustable steering wheel
- » USB input (iPod® compatible)
- » Wiper (rear) with intermittent function
- » Wipers (front) 2-speed with rain-sensing function

POWERTRAIN

- » 1.5 litre in-line 4 cylinder 16 valve DOHC S-VT petrol with i-stop
- » 114kW @ 6,000rpm (max. power)
- » 200Nm @ 4,000rpm (max. torque)

¹ Stop & Go function on Automatic model only. § Please check the compatibility of your device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit www.mazda.com.au/Bluetooth or consult your Mazda Dealer for further information. † Driver assist technology only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times. *Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic and road conditions and how the vehicle is driven.

MAZDA 3 CORE+ FEATURES – ADDITIONAL TO CORE

- » 16-inch alloy wheels (silver finish)
- » Air-conditioning (dual-zone climate control)
- » Auto dimming interior rear-view mirror
- » Leather-wrapped: gear shift knob and steering wheel
- » Seats (rear) with centre fold down armrest
- » Higher end interior trims and aesthetic features

POWERTRAIN

- » 1.5 litre in-line 4 cylinder 16 valve DOHC S-VT petrol with i-stop
- » 114kW @ 6,000rpm (max. power)
- » 200Nm @ 4,000rpm (max. torque)

THE ART OF DESIGN

Feel a higher level of quality with the beautifully detailed leather wrapped gear shift and steering wheel.

YOUR IDEAL CLIMATE

Everyone can enjoy a comfortable cabin environment all year round with dual-zone climate control.

A BREATH OF FRESH AIR

The Mazda3's Core+ Hatchback is the perfect combination of sleek & sporty with refined elegance.

MAZDA 3 EX FEATURES – ADDITIONAL TO CORE+

- » Blind spot Monitoring
- » Rear A/C Vents
- » Rear Parking Sensor
- » Paddle Shifters
- » Adaptive Front Lighting System
- » Daytime Running Lamps

POWERTRAIN

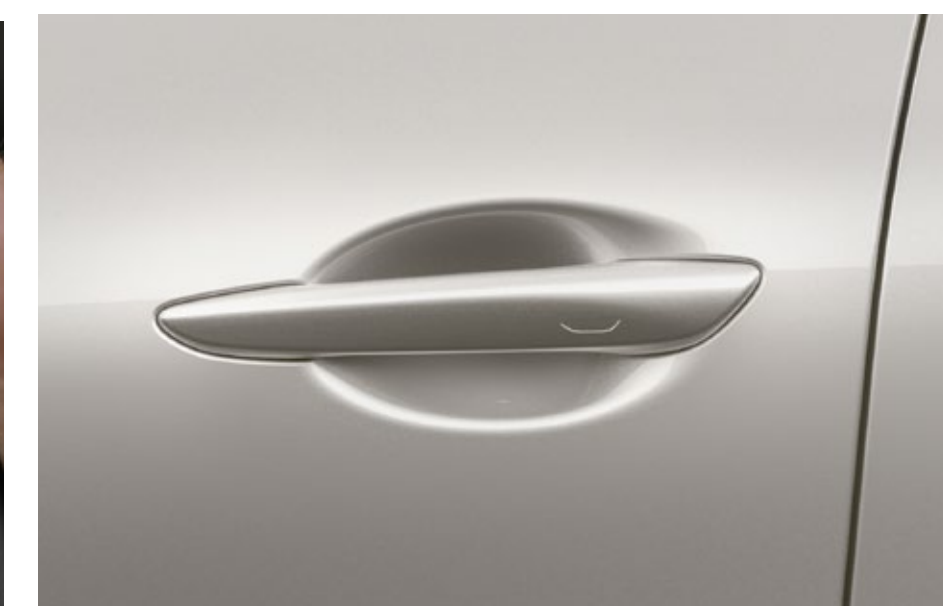

- » 1.5 litre in-line 4 cylinder 16 valve DOHC S-VT petrol with i-stop
- » 114kW @ 6,000rpm (max. power)
- » 200Nm @ 4,000rpm (max. torque)

18-INCH ALLOY WHEELS
18-inch sports alloy wheels add purpose to Mazda3's dynamic stance.

TAKE CONTROL
Put yourself in command with the paddle shift gear control, available on auto only.

GO KEY FREE
Advanced keyless entry means when you're carrying the remote locking unit, you enter just by pressing a button on either front door.

*Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic and road conditions and how the vehicle is driven.
